

ENGAGEMENT MANAGER

(f/m/d – Full-time - Munich or Berlin)

At Bloom, we live and breathe digital in an everchanging business environment. We combine passion in developing business and marketing strategies for a digitized world with a strong entrepreneurial spirit

With our strategy consulting teams and our technology teams in Munich and Berlin we help global brands building digital businesses. We are substantially growing our teams of consultants, entrepreneurs, product designers and developers in Munich and Berlin in the coming years. We are looking for smart and experienced team and business builders with a passion for digital marketing, technology and entrepreneurship to join us as Engagement Manager.

YOUR CAREER AT BLOOM PARTNERS

At Bloom we believe that working closely together with great team members is the best foundation to deliver exceptional value for our clients. Our culture and our people are essential to this goal and we are looking for the right person shape and grow the future of Bloom as a key engine of our business. Engagement Managers at Bloom Partners take over responsibility from day one, and will play a key role in the following functions:

- Lead day-to-day execution of client engagements and projects while guiding and developing teams;
- Lead a team of typically 3-5 consultants;
- Take ownership for client relationships and, cultivating long-term relationships;
- Lead tailored solution development in a highly collaborative team setting;
- Ensure lasting positive results of our projects and for our clients;
- Engage our clients in line with our values around positivity, curiosity and support;
- Develop business plans, financial models and dashboards (i.e. for digital performance)
- Guide and develop our teams on technical and personal skills and client management

YOUR PROFILE

The successful candidate is ahead of the curve in digital transformation and implementation, has a university degree (any subject expertise welcome) and has a strong professional track record in consulting, digital agencies, grown-up start-ups or strategy or digital units of large corporates. In line with our values at Bloom Partners, you are an excellent fit for us if you combine the following traits:

- Master's degree (or above) from a top-tier university with consistent outstanding academic record;
- 6+ years of experience in business consulting or management with a proven record of high performance and substantial achievements in past positions;
- Deep functional knowledge, including but not limited to digital strategy, digital business models, agile product and project management, marketing and sales;
- Proven track record of managing project teams and demonstrated leadership ability;
- Curiosity and substantial experience with digital topics - i.e. in digital business models, digital strategies, as well as tools & techniques for digital marketing
- Exceptional analytical and problem-solving skills paired with an infectious positive can-do attitude
- Desire to take up a leadership role at a fast-paced, growing, entrepreneurial company

WE ARE EXCITED TO HEAR FROM YOU!
